

# TRANSCRIPTS

---

To the Candidate's Parents:

The laws of confidentiality require that your son's school have your permission before releasing his transcript of grades. Therefore, please sign this release form and **TAKE IT TO YOUR SON'S CURRENT SCHOOL** so that the transmittal of the necessary papers can take place without undue delay.

---

To the Candidate's Counselor/School Secretary:

This will authorize you to forward \_\_\_\_\_'s transcript of grades (last two years plus current marking period) and record of standardized test scores to Delbarton School. Thank you very much for your help.
