Begin Here

You think, what do you want?

make a decision.

Why not stay and be caught? You think,

well, it's a thought, What would be his response?

But then

what if he knew who you were When you know that you're not what he thinks that he

safe out of sight, and yourself, But where every thing’s wrong?
Or where everything's right And you know that you'll never be long?
And whichever you pick, Do it quick; 'Cause you're starting to stick To the steps of the palace.
It's your first big decision.
