

DELBARTON SCHOOL

March 26, 2020

Dear Parents and Students,

In accord with our previously announced procedure, Delbarton School's campus will remain closed through Monday, April 13. All campus buildings are closed. All school activities, athletics, meetings and special events originally scheduled to occur for the period March 30 through April 13 are cancelled or postponed until further notice. Please check the online school calendar on delbarton.org for more detailed information about cancelled or postponed events.

Virtual Delbarton

Classes will continue online during this additional closure period, according to the schedule we used this past week. Students are reminded that attendance at online class meetings is required, and teachers will take attendance at each online class meeting.

Final Examinations and AP Examinations

Because school is closed through at least Monday, April 13, final examinations for all courses are cancelled. If students in AP courses choose to not take the AP exam (see below) for that course, they will not have to take a final exam instead. The days originally allocated to a reading day and five days for final exams (May 27-29, June 1-3) will be used for additional class time. For students in grades 7-11, the school year will end on June 3.

Let us continue to support one another in as many ways as possible in these days.

Fr. Michael Tidd, O.S.B.
